

27 February 1985

MEMORANDUM FOR: Source Selection Official
D/FBIS

FROM: Chairman, Source Selection Evaluation Board

SUBJECT: INTERNET RFP Recommendations

1. In accordance with the INTERNET Source Select Plan, the Source Selection Evaluation Board (SSEB) is forwarding their recommendations on the subject RFP.

2. Eight companies, all qualified common carriers, were originally solicited. Subsequent to issuing the RFP, COMSAT Inc. requested a copy of the RFP. Of the total of nine RFPs issued, proposals were received from five companies. These proposals were evaluated in accordance with the preestablished evaluation criteria. It has been determined that there are only two companies that can be considered in the competitive range. They are COMSAT and Overseas Telecommunications Inc. It is the recommendation of the SSEB that the contracting officer enter into discussions with these companies to clarify the issues listed in Attachment A.
